

include/vm/mmio_devices.h

```
graph TD; A[include/vm/mmio_devices.h] --> B[cstdint]; A --> C[unordered_map]; A --> D[string];
```

A diagram illustrating the dependencies of the header file `include/vm/mmio_devices.h`. The header file is shown in a grey box at the top. Three blue arrows point from it to three white boxes below, representing the included headers: `cstdint`, `unordered_map`, and `string`.

`cstdint`

`unordered_map`

`string`
